PARENTAL INTERACTION AND BEHAVIOR

Avoid 'coaching' from the sideline while watching your child's game. A common problem in youth soccer is the impulse parents have to shout instructions to their young players from the sideline. It is especially difficult for a child because he or she has a tendency to refer to what a parent says, which often conflicts with the instruction from the coach.

Do not criticize the referee. Spectators should realize that referees sometimes make mistakes – even those officiating at the highest levels of play. Officials, coaches and players will be treated with respect during all Liverpool International Academy CT / MA / RI events. Parents and spectators are not permitted to disparage, ridicule, or otherwise engage in threatening or harassing conduct toward an official, coach, or player at any time.

Focus on the benefits of the game rather than the score. Far too often parents focus on the score in a game rather than the experience their child has while playing youth sports. While it is natural to want to win, parents need to keep focus on the larger picture.

Think when interacting with opposing fans. Avoid confrontation with opposing team parents, spectators, coaches, and players. Represent Liverpool International Academy CT / MA / RI as a club, and your child in a respectful manner.

Alcohol, drugs, smoking. The use or possession of these substances or being under the influence of alcohol or illegal drugs immediately before and during Liverpool International Academy CT / MA / RI events, is strictly prohibited.

Parents/guardians and other spectators that are not able to conform to the above expectations, will be asked to leave the activity and action may result in the suspension of their child from club activities and/or termination from the club.

MASS YOUTH SOCCER issued the following updated **Codes of Conduct and Zero Tolerance Policy**. Kindly read the documents listed below, that can be found on the [Mass Youth Soccer](#) website. By accepting your player's team assignment you are acknowledging that you have read, understand and adhere to the Mass Youth Soccer Codes of Conduct and Zero Tolerance Policy.
